2025 ENTRY

Admission

Upper Canada College seeks to admit well-rounded students who stand out from the crowd in a variety of ways — through academic performance, involvement in co-curricular activities, and demonstrated social skills. We are looking for the best students, from the GTA, across Canada and around the world.

Tuition and *Financial* *Assistance*

At Upper Canada College, we believe that the quality of our students is the single most important factor defining our reputation, relevance and future. In a world where change is more constant and rapid than ever before, it's vital that we attract the best and brightest students — regardless of their financial circumstances.

UCC has the most generous financial assistance program in Canadian independent schools — more than \$6 million is awarded annually to Canadian families in Year 5 and above.

APPLYING FOR FINANCIAL ASSISTANCE

The application for financial assistance is separate from the application for admission and is available online at applefinancialservices.ca. Both applications must be submitted in order to be considered for financial assistance. The deadline for applying for financial assistance is December 31, 2024.

Financial Assistance at a Glance

To help applicant day families determine whether or not they may qualify for financial assistance, the table below offers an at-a-glance look at day families who are receiving financial assistance for the current school year correlated to gross family income. Please note that gross family income is only one of many factors used to determine financial assistance eligibility.

| GROSS FAMILY INCOME | \$0 - \$7.5K | \$7.5K - \$15K | \$15K - \$22.5K | \$22.5K - \$30K | > \$30K | TOTAL FAMILIES |

Financial Assistance FAQ

HOW IS FAMILY NEED CALCULATED?

Apple Financial Services makes recommendations to UCC based on the information provided by you in the Parents' Financial Statement. This includes, but is not limited to, the parents'/guardians' net income (after taxes and other deductions); assets and liabilities; and information about dependents and expenditures. The computation measures what is possible, though not necessarily comfortable, for a family to contribute toward educational expenses.

HOW ARE FINANCIAL ASSISTANCE DECISIONS MADE?

Applications for financial assistance are reviewed independently from admission applications by the College's Financial Assistance Review Committee. Financial assistance decisions are sent together with the admission offers.

DO YOU HAVE ANY TIPS FOR APPLYING?

Financial assistance applications can seem overwhelming. Here are some tips to help you prepare:

- Plan to spend more than one sitting to complete the forms.
- Don't wait until the last minute to apply. Mistakes could adversely affect your application and are difficult to rectify.
- Review the application requirements and gather the information you need before completing the forms. Apple Financial Services provides an FAQ to help answer any questions.
- Please contact Emily Moir, Vice-Principal, Enrolment Management if you have questions about UCC's financial assistance program.
